" THANKS BETTY "

YOU HAVE SERVED THE TOWN AND ITS CITIZENS AS TAX COLLECTOR 1975-1978; AS SELECTMAN 1979-1988; AND AS SUPERVISOR OF THE CHECK LIST 1990-?, TO NAME JUST A FEW OF YOUR CONTRIBUTIONS. YOU HAVE ALSO HELD THE TOUGHEST JOB OF ALL - ADMINISTRATIVE ASSISTANT TO THE SELECTMEN; PATIENTLY RECORDING THE WEEKLY MEETINGS; ANSWERING EVERY CONCEIVABLE QUESTION ABOUT THE TOWN AND ITS PROCEDURES FROM EVERYONE AND ANYONE- ALL WHILE KEEPING THE TOWN'S BUSINESS MOVING FORWARD IN AN ORDERLY FASHION.

THE CITIZENS OF FRANCESTOWN THANK YOU FOR YOUR UNSTINTING DEDICATION; AND WISH YOU A HAPPY AND WELL-DESERVED RETIREMENT.

**TOWN WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Francestown, in said County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Francestown on Tuesday, the fourteenth day of March next, at ten o'clock in the forenoon to act upon the subjects hereinafter set forth. The voting on Article 1 will be by official ballot, and the polls shall be open for balloting on said date at 10:00 o'clock in the forenoon and shall not close before 7:00 o'clock in the evening.

Article 1.

To choose all necessary Town Officers for the ensuing year.
(By Official Ballot)

Pursuant to RSA 39:2a and the vote of the Annual Town Meeting in 1979, you are hereby notified the second session of the annual meeting of the Town of Francestown will be held at the Town Hall on Saturday, the eighteenth day of March next, at ten of the clock in the forenoon, at which time the town will act on the following subjects.

Article 2.

To raise such sums of money as may be necessary to defray town charges for the ensuing year and to make appropriations for the same.

Article 3.

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to engage the services of a professional planner(s) to assist the Planning Board in the preparation of the new Master Plan.

The Selectmen and Budget & Advisory Committee recommend this appropriation.

Article 4.

To see if the Town will vote to raise and appropriate the sum of Seventy Thousand Dollars (\$70,000) to fund the reconstruction and repaving of Todd Road from Poor Farm Road to the transfer/recycling station - the project to be completed as recommended and described in the report of the Road Improvement Sub-committee - or take any other action relating thereto.

The Selectmen and Budget & Advisory Committee recommend this appropriation.

Article 5.

To see if the Town will vote to raise and appropriate the sum of One Hundred Forty-five Thousand Dollars (\$145,000) to purchase a new tanker-pumper with necessary equipment, and authorize the withdrawal of \$101,650.00 from the Capital Reserve Fund (Replacement of Fire Trucks); accept a gift of \$10,000.00 from the Mt. Crotchet Firefighters' Association; the remaining balance to be raised by taxation, or take any other action relating thereto.

The Selectmen and Budget & Advisory Committee recommend this appropriation.

Article 6.

To see if the Town will vote to raise and appropriate the sum of Eighty One Thousand Five Hundred Dollars (\$81,500.00) to be placed in the Capital Reserve Accounts, to be allocated as follows:

Future Replacement of Fire Trucks	\$30,000.00
Future Replacement of Fire Dept. Radios	500.00
Future Replacement or Purchase of Hwy. Equip.	20,000.00
Future Replacement of Police Cruiser	6,000.00
Future Reappraisal of Real Estate	5,000.00
Recreation Lands	10,000.00
Town Building Improvements/Acquisition	5,000.00
Town Road Improvements	5,000.00

or take any other action relating thereto.

The Selectmen and Budget & Advisory Committee recommend this appropriation.

Article 7.

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for the purpose of purchasing and installing lights for the all purpose court, for the purchasing and installing an outfield fence and protective fence for benches for the Underhill Field, and for the sealing the all purpose and tennis courts, or take any other action relating thereto.

The Selectmen and Budget & Advisory Committee recommend this appropriation.

Article 8.

To see if the Town will vote to deposit fifty percent (50%) of the revenues collected pursuant to RSA 79-A (the Land Use Change Tax) in the Conservation Fund, with a maximum of Two Thousand Dollars (\$2,000). This in accordance with RSA 36-A:5 III as authorized by RSA 79-A:25 II.

The Selectmen against and Budget & Advisory Committee majority against.

Article 9.

To see if the Town will vote to transfer Four Hundred Sixty-Seven Dollars (\$467) of unexpended Conservation Commission prior appropriations carried forward and vote to raise and appropriated Four Thousand Five Hundred Thirty-Three Dollars (\$4,533). The totals not to exceed Five Thousand Dollars

(\$5,000) to be placed in the Conservation Fund authorized by RSA 36-A:5, or take any other action relating thereto.

The Selectmen against and Budget & Advisory Committee recommend this appropriation.

Article 10.

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for the purchase of a government surplus dump truck and a pickup truck should they become available, such sum to be raised and appropriated by the withdrawal from the Capital Reserve Fund "Replacement of Purchase of Highway Equipment," or take any other action relating thereto.

The Selectmen recommend and Budget & Advisory Committee were deadlock on this appropriation.

Article 11.

To see if the Town will vote to discontinue the 2nd NH Turnpike North which traverses the Huberman & Wallack property (Map 8 Lot 1), or take any other action relating thereto.

Article 12. (Petition Article)

To see if the Town will vote to authorize the transferal of any 1995 fund surplus-not encumbered or otherwise set aside for specific contingencies acceptable to the Department of Revenue Administration - from the General Fund Balance as follows: to be applied to the 1995 tax rate if the school warrant article change the funding formula is passed on Tuesday, March 14, 1995; otherwise, to be transferred to the Capital Reserve Fund titled "Town Building Improvements/Acquisition," or take any other action relating thereto.

Article 13.

To see if the Town will vote to raise and appropriated the sum of Two Thousand Dollars (\$2,000.00) to scrape and repaint the external fire escape at the George Holmes Bixby Memorial Library; and replace ceiling tiles, grids and light fixtures in the Children's Library, or take any other action relating thereto.

The Selectmen and Budget & Advisory Committee recommend this appropriation.

Article 14.

To see if the Town will vote to authorize the Board of Selectmen to lease, for a term not to exceed 99 years, to the Francestown Improvement and Historical Society, the parcel of town-owned land located between the George Holmes Bixby Memorial Library and Francestown Village Store for the placement of the building know historically as "Cochran's Block" to be used by F.I.H.S. as repository for its historical collection, or take any other action relating thereto.

Article 15.

To see if the Town will vote to raise and appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500.00) to fund a hazards materials disposal day, or take any other action relating thereto.

The Selectmen against and Budget & Advisory Committee were deadlock on this appropriation.

Article 16.

To see if the Town will vote to approve the transfer of 0.62 acres of Town land establishing a fifty (50) foot right-of-way to a tract of land owned by Cram's Inn Corporation in exchange for 0.64 acres of land owned by the corporation; both parcels contiguous to the Turnpike Cemetery, or take any other action relating thereto.

Article 17.

To transact any other business that may legally come before said meeting.

Given under our hands and seal this thirteenth day of February, in the year of our Lord, nineteen hundred ninety-five.

SELECTMEN'S REPORT - 1994

The year of 1994 was a good year as we were able to manage Town affairs without borrowing in anticipation of taxes once again.

The Town successfully marketed the Crotched Mountain Ski Area while recouping all back taxes, interest, penalties, and selling expenses.

The recreation project is nearly complete and a new flag pole graces the Common thanks to contributions from the Oak Hill Grange, Masonic Lodge, and FIHS.

The Selectmen urge the voters to turn out and be heard at the Conval Meeting March 25th. We strongly recommend that the Town vote NOT to the change the Conval distribution formula. At the "Town Election", March 14th, this vote will have a major effect on your tax bill.

The Town will sorely miss Don Hoyt and Don Marsden. Please emulate them by volunteering to serve your town.

Finally we thank all those who participated in Town government this past year. Your contributions make Frankestown a nice place to live.

John W. Jenkins, Chairman

To the Board of Selectmen
Town of Francestown, New Hampshire

We have audited the general purpose financial statements of the Town of Francestown, New Hampshire as of and for the year ended December 31, 1994, and have issued our report thereon dated January 13, 1994.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

In planning and performing our audit of the general purpose financial statements of the Town of Francestown, New Hampshire for the year ended December 31, 1994, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of the Town of Francestown, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories:

- Budget
- Cash and investments
- Revenue and receivables
- Expenditures for goods and services
and accounts payable
- Payroll and related liabilities
- Debt and debt service expenditures

For all of the internal control structure categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

We noted certain matters involving the internal control structure and its operation that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the entity's ability to record, process, summarize, and report financial data consistent with the assertions of management in the general purpose financial statements.

The Trustees of the Bixby Memorial Library maintain no accounting records other than a checkbook and the related records associated with that and other bank accounts. The checking account was not reconciled during the year.

A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above. However, we believe the reportable condition described above constitutes a material weakness.

We also noted other matters involving the internal control structure and its operations that we have reported to the management of the Town of Francestown, New Hampshire in a separate letter dated January 13, 1995.

This report is intended for the information of the Board of Selectmen. However, this report is a matter of public record and its distribution is not limited.

Wachon, Chikay & Co., PC

Automatic Alarms	5
Smoke Investigation	1
Vehicle Fires	2
Chimney Fires	1
Electrical Problems	2
Dumpster Fires	1
Stove Fires	1
Public Assist	1
Other	6

The Francestown Volunteer Fire Department responded to 84 emergency calls during 1994.

Thanks to public donations made to the department and the many fund raising events the members have put on over the years, since 1982 the department has purchased over \$70,000.00 worth of fire equipment. Recently we purchased a set of rescue air bags (which should arrive soon) and 4 more Minitors (paggers) totaling over \$4,500.00.

The Explorer program is continuing, anyone ages 14 to 21 is eligible to join. Anyone interested please contact Randy Wheeler.

The fire department is looking for more volunteers - especially for the rescue squad. Interested persons should contact me or any other fire department member.

Once again, I would like to thank the townspeople for their continuing support of the volunteer fire department.

Remember, to report an emergency - dial 352-1100.

Respectfully submitted,
Donald C. Abbott, Fire Chief

**FRANCESTOWN FIRE DEPARTMENT
LADIES AUXILIARY REPORT - 1994**

Officers for 1994:

President	Linda Abbott
Vice President	Joan Van Cleave
Secretary	Daniel Peterson
Treasurer	Theo Wheeler

Activities for 1994 included selling refreshments during Town Meeting in March; serving corned beef dinners at the March Forest Fire Wardens Meeting; sponsoring the Cadet Girl Scout Troop; and for the fourth year sponsoring the poster/essay contest for the school children during Fire Prevention Week in October. This year's winners were Heidi Jones, Robert Pellerin, Kaitlyn Hughes, Robert Goolbis, Scott Leavitt, and Jessica Gagnon. We are also in the process of updating/revising the Francestown Phone Directory.

We were called upon to serve cold drinks and refreshments at two structure fires this year.

Anyone interested in joining the Auxiliary please contact one of the officers.

Respectfully submitted,
Linda L. Abbott, President

JOHN E. SARGENT
 Director

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1994, our three (3) leading causes of fires were No Permit, Children and Rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

<u>Fire Statistics</u>	<u>1994</u>	<u>Average 1990-1993</u>
Number of Fires Reported to State for Cost Share Payment	283	443
Acres Burned	217	246

Suppression cost = \$90,000+

<u>Fires Reported by Lookout Towers (1994)</u>	<u>Fires Reported by Detection Aircraft</u>
Fires Reported	588
Assists to Other Towers	363
Visitors	21,309

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

"REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!"

	Four Thursday evening lectures	
	Approximately thirty attended each evening	
December	Library Christmas	Decorating by Sandra McDonnell, Betsy Wiederhold, and Martha Coutts-Eisenberg

I am happy to report the library was very active for the past year with a wide variety of functions held each month. Francetown has a large number of excellent readers and it is a pleasure to serve all of you as well as a challenge to keep new reading materials supplied.

Nancy Houlihan was selected for the position of Children's Librarian in September. Kim Dalley had held this position for seven years. Although we miss her, she is still involved with the library serving as a Trustee. Nancy is doing a splendid job assisting approximately one hundred young readers during the library week in book selections and at the computer.

Many patrons comment on the memorial garden here at the library. Betsy Wiederhold is responsible for the planting and care of the garden. We appreciate her efforts for all our enjoyment. Throughout the late Spring and Summer the library is kept supplied with beautiful assortments of bouquets from the gardens of Carol Walsh, Liz Foote, Linda and Elsie Mikula. We appreciate their generosity.

Once again the Francetown Academy was most generous to the library and we have purchased several new programs for the computer. Everyone is welcome to use the computer so be sure to stop by sometime.

I shall take this opportunity to remind all patrons of the Library Policy regarding books that are overdue. Books are checked out for two weeks. After the due back date, two or three telephone calls are made requesting return of the item. If there are no results we mail a reminder. This is costly taking into consideration the labor involved and postage. Renewals may be made by either telephoning the library or coming in in person. I would like to see the necessity for overdues decrease for the future.

I continue to enjoy serving the town of Francetown in this capacity. Nancy, Sirkka and Frank are great to work with and I deeply appreciate the support and efforts of the Trustees.

Respectfully submitted,

Joan E. Hanchett, Librarian

THE GEORGE HOLMES BIXBY MEMORIAL LIBRARY
LIBRARY TRUSTEES REPORT - 1994

The library maintained a very busy schedule during 1994. Luckily the library is the perfect place for community programs and displays. We were pleased to be able to present many programs during the year, thanks to generous contributions from many talented residents. The art displays by local artists, including our younger portion of our population, enlivened and enriched our decor throughout the year.

Many thanks to: Ruth Behrsing and Peter Jones for their wealth of knowledge shared with our Academy Computer. Lally Freeman shared informative sessions dealing with emotional well being. Gretchen Silverman led an informative session of womens' health issues. Jessie Auger delivered a terrific slide show presentation of El Salvador and Haiti. The Red School and the Well School displayed wonderful art shows. Bonnie Riley graciously hosted our Nubanusit Library Co-op meeting. Marion Foote donated many hours or volunteer assistance. Peter Kostecki shared his "views" of Frankestown. Sylvia Leavitt spent an evening discussing Somalia and Desert Storm. Clifton Foote adorned the library with his clever wooden playthings. Russell Mott displayed his photography. Lee Whitfield entertained with her herbal lore. Sandy McDonnell, Martha Eisenberg and Betsy Wiederhold brought the Christmas Spirit to us. Derald Radtke continues to man the snow shovel. Betsy Wiederhold wields her green thumb to our benefit, as well as many other items that she quietly offers. The Frankestown Academy supports our Childrens' Library. The Place family donated their spot on The Pond for the Childrens' Reading group. Many thanks to all of you and more who made 1994 a banner year for the library and patrons.

The only way the staff and trustees could stand loosing Kim Dalley after seven years of Childrens' Librarian was by gaining Nancy Houlihan as a replacement. The trustees feel graced with a thoughtful, energetic and committed staff. A heartfelt Thank You to Joan Hanchett, Kim Place Dalley, Sirrka Holmes, Frank Hanchett, Nancy Houlihan, and Denise Hunsaker.

Finally, it is a bittersweet feeling with which I sign off as presiding trustee of the library. My goal was to reinforce the vital position of the library in our community. I feel that the library has become again a hub of Frankestown life.

Respectfully submitted,

Pamela Nation

FRANCESTOWN CONSERVATION COMMISSION ANNUAL REPORT 1994

The Conservation Commission is currently working on projects to promote and conserve the resources of the Town Forests. Having completed our Town Forest Management Plan we are starting projects to implement its policies. Currently our projects include Trail Development, Habitat Improvement and Interpretive Maps of the Town Forests.

In June we co-sponsored, with the Transfer Station Committee the Toxic Waste Collection Day in association with New Boston. We were very pleased with the volume of toxics removed from our garages, homes and barns and safely disposed of.

The Commission stays in touch with the Planning Board and the Zoning Board of Appeals to lend a voice on issues of land conservation.

Our annual Earth Day activities included a roadside clean-up. (Watch for the blue bags again next April!) A very well attended tour of the Crotched Mtn Town Forest and the distribution of shrub seedlings to the students of our Town Elementary School.

ROAD AGENT REPORT - 1994

The winter of 1994 was one of the worst winters in a long time, over 100 inches of snow fell. We were lucky enough to still keep the budget close, approximately \$2000.00 over.

We had two new stainless steel sanders in use and they are working out well.

Since the CIP project for Dodge Hill Road was voted down, no big road improvements project were done. We did do an extensive graveling project on part of Dodge Hill Road, 2nd NH Turnpike North and Birdsall Road. I am asking for \$10,000 more in the gravel fund to try to keep up with the necessary wear and tear of the gravel roads.

This year CIP proposal is to rebuild half of Todd Road from Poor Farm Road to the Transfer Station at a cost of around \$70,000.00. I hope you will support this year project. Road proposed for regravelling this year by me are the rest of Dodge Hill Road, Candlewood Hill Road, Poor Farm Road, and repairs to hills.

Equipment replacement will include a used dump truck and pickup truck. The appropriation to be funded from the Capital Reserve Fund "Replacement or Purchase of Highway Equipment".

Thank you for your continuing support and understanding.

Respectfully submitted,

Clayton Foote Jr., Road Agent-

FRANCESTOWN EMERGENCY MANAGEMENT REPORT 1994

In conjunction with the Frankestown Volunteer Fire Department an intensive training course was held to certify the members of the department in the management of hazardous material spills/accidents. A written plan has been developed and is currently being reviewed by the Town's emergency response agencies, prior to submission to the state emergency management organization for acceptance.

Respectfully submitted,

O. Alan Thulander
Director Emergency Management

POLICE DEPARTMENT REPORT - 1994

Police Department calls were up this year from last. We had more calls for service and automobile accidents were up by 25%. I think this was due to the weather of last winter and the ice storms this winter.

We had some burglary and theft reports this past summer that resulted in a raid and arrests in Deering at the camp ground on 2nd NH Turnpike. These individuals had been involved in burglaries and thefts in 5 or 6 towns.

We did not need the \$1,000.00 for the Prosecutor, as the Hillsborough County Attorney agreed to handle serious cases when needed. We have used that service on a couple of occasions with good results.

We will be having another program at the school this spring for photos and finger prints for the children and also a bike safety program. Anyone with preschool children that would like to have this done can contact myself or Sgt Thibeault for an appointment.

Respectfully submitted,
Peter M. Flood, Chief

1994 ANIMAL CONTROL OFFICER REPORT

Once again this year found many dogs licensed, but a lot more not licensed. State law requires that ALL dogs over 3 months of age be licensed by May 1. State law also requires that cats be vaccinated against rabies.

This year's calls included dogs, cats, horses, cows, and various wild animals.

Summary of calls:

Stray cats	2
Stray dogs	11
Missing cats	5
Missing dogs	6
Nuisance/complaint calls	12
Dogs chasing deer	2
Dogs getting into livestock	2
Dog bites	2
Dogs exposed to rabid animals	2
Human exposure to rabies	1
Horses	2
Cows	1
Wild animals - Raccoons, skunks, fox	15
Miscellaneous (investigations, questions)	9

Total number of calls

72

Respectfully submitted,
Donald C. Abbott, Animal Control Officer

Annual Report of the Recreation Commission - 1994

Your Recreation Commission supported various activities for children and adults throughout the year. In addition, this year our focus was the recreation project voted by the town in March 1992 to expend \$36,000 of town resources along with \$5000 donated by the Francetown Improvement and Historical Society, and reaffirmed in a vote in March 1993, to enter into a long term lease with the Francetown Improvement and Historical Society for use and responsibility for their property in the triangle made by Route 136, Old County Road South, and an abandoned road which connects them. The scope of this project included: stripping loam and completely regrading and turning, loaming, seeding, and creating a new diamond and backstop for Underhill Field, and creating an entrance off Route 136, a parking area, a soccer field, and an all purpose court with basketball hoops, boards for street hockey, space for roller blading and skate boarding. This project would not have been possible without: the support of townspeople and the Selectmen, thousands of hours of time and/or equipment and materials donated by local contractors, the Recreation Commission, volunteers, and the watchful eye of the general contractor, Kris Stewart ably assisted by Betsy Hardwick. The total cost of the project was \$45,890.99, with an additional \$46,398.12 being donated, for a total value of the project of \$92, 289.11. A listing of volunteers, costs, donations and accounting for the project are included at the end of this report.

Ongoing activities were:

Aerobics: Monday & Wednesday nights, 6:00 pm, occasional Saturdays, Town Hall, 12 classes for \$35, men, women, teens. Instructors: Pam Nation and Pat Schell

Contra Dances: 2nd Saturday monthly, 8:30 / 11:30 pm, Town Hall, \$4.50. Mary Jane Marsden

Seasonal Activities included:

Baseball: 75 children played on 5 teams. Support included: dues to local organization, equipment and uniform replacements, portable toilet, first aid kits, etc. Players paid a registration fee. Thanks to Jim Barker and Scott Jenkins who oversaw the program, and to the many parents who coached and helped maintain the field.

Morris Dances: free dance on the Common in early May.

Town Beach at Scobie Pond: Open daily from late June to late August. Two lifeguards on duty during the busiest hours. Support included: maintenance of raft, ropes, portable toilet, telephone, first aid kits, lifeguards and swimming lessons. Fees paid for lessons. Red Cross swimming lessons given in two four week session for 67 children. Staff included: Jonathan Rice, WSI and head lifeguard, Rebecca Faber & Kyene McNeil, lifeguards, and Jacob McNeil, Joel Sipe, and Sarah Munson, assistants.

Tennis Courts: Open daily April through November. Lights available on Court 2. 24 children took lessons twice per week over a six week period during July & August. Registration fee. Support included: instructors, tennis balls, USTA materials. Instructors: Eben Colby & Paula Connard.

Soccer Camp: Peter Ketchum's ConVal Kickers Camp had 27 beginners in an session and 24 in advanced pm session. Thanks to Tory Pines for the use of their field. Fee.

Soccer League: Practices & games were held at the Tory Pines field.

Halloween Party: Held at the Town Hall on Halloween. Included: spook house, games for young children, food & treats, costume parade. Thanks to all who helped.

In October, the Francetown Friends of Recreation, held a used & new sports equipment sale which realized over \$1000. This new organization will be soliciting and raising money by various means. A gala opening of the Recreational fields and court is being planned for Memorial Day. Call Susan Jonas to volunteer, and become a part of this important effort to improve our recreational facilities.

We thank you, the townspeople, for your financial support of recreation and all our many volunteers who helped with the recreation project, coached our teams, and volunteered to make recreation happen in Francetown. We welcome your concerns, ideas, suggestions, and help.

Respectfully submitted by the Recreation Commission,

Nancy Rice Paul Lawrence Kris Stewart Peter Bixby Patricia Schell

CEMETERY COMMISSION 1994

The Commission has continued its restoration plan with No. 1 (Meeting House) now complete and No. 2 (Mill Village) nearing 70%. The work is scheduled to continue in the coming year.

It has been suggested that the chain link fence bordering No. 3 (Turnpike) be replaced by a granite post fence, possibly funded by a "buy a post" program funded by private donations. The Commission would appreciate input from the Townspeople on this subject.

The Commission would also like to recognize Ed Jones and Bing Miller for the caring manner in which they maintained the cemetery grounds this past year.

Respectfully submitted,

O. Alan Thulander
Gordon Sherman
Lucy Paige

BOARD OF ADJUSTMENT - 1994

The New Hampshire Revised Statutes Annotated and the Frankestown Zoning Ordinance give the Board of Adjustment the power to grant "Special Exceptions" under and "Variances" from the provisions of the Zoning Ordinance. The Board is also given the jurisdiction to hear appeals from "Administrative Decisions" involving the interpretation of the Zoning Ordinance. Copies of the Zoning Ordinance, forms for applications and information on filing fees and other charges are available at the Town Offices.

The 1994 Board consisted of Guy A. Swenson, Jr., Chairman, Herbert A. Fincher, Vice-Chairman, Richard S. Mikula, Clerk, Richard Kiczek and Charles Onasch. Alternates were Gemma Dreher, Dean L. Mottard and Mary Frances Carey. Demetria A. McKaig served as recording secretary.

During 1994 the Board dealt with one application for a variance, one application for a special exception and two matters involving the interpretation of the Zoning Ordinance.

Regular meetings of the Board of Adjustment are scheduled for the second Thursday of each month. Lack of business resulted in the cancellation of nine of the meetings scheduled for 1994. All meetings are open to the public.

Respectfully submitted,

Guy A. Swenson, Jr.
Chairman

FRANCESTOWN PLANNING BOARD

In the spring, the Board voted to undertake the development of a new and updated Master Plan with a targeted completion date of March, 1996. Numerous workshops were held where Board members and townspeople in attendance worked in groups to develop a questionnaire to help determine how residents and non-residents feel about our town in general, land use regulations and current planning issues. In November, the questionnaires were distributed door to door. The household return rate for residents was 84%, for non-residents 26%, and overall 65%! This is an unusually high rate of return and we thank all of you, as well as the volunteers, for making it possible. The results of the survey, which are expected to be ready in early March, along with public participation at workshops and hearings to be held throughout the coming year, will provide some of the basic building blocks for the new plan.

In addition to your continuing input during the master planning process, we also need your support for Warrant Article #3 which will appropriate funds to engage the services of the Southwest Regional Planning Commission. Although Board members are doing a great deal of work themselves - designing the computer data base for compiling questionnaire results, tabulating data, interviewing town departments, etc. - the increasing complexity of state requirements and the time demands make outside assistance necessary. The Board believes that it can develop the new plan in such a way that it can be updated on an ongoing basis, section by section, thus avoiding the need for this magnitude of expenditure in the future.

In other master planning activities, the Board approved two two-lot subdivisions - Currier on Champagne Road and Cram's Inn on the Second New Hampshire Turnpike South - resulting in a net increase of two lots. Two annexations were also approved - Hamel/Thompson and Walsh/Walsh - and one application for a three lot subdivision on Todd Road was rejected as incomplete.

Special thanks this year go to volunteers Fran Arnold, Mo Baptiste, Herb Bromberg, Rosa Bromberg, Ken Campbell, Lynne Carver-Clancey, Kim Dalley, Kip Dalley, Judy Danforth, Cathy Eby, Sandy Ellis, Clifton Foote, Joanne Foote, Polly Freese, Jan Gooblis, Jeff Gorton, Debbie Hancock, Taisto Holm, Nancy Houlihan, Emily Howarth, Scott Jenkins, Bob Lindgren, Linda Lindgren, Lois MacAdam, Rick MacAdam, Demetria McKaig, Dean Mottard, Bill Nawrocki, Peggy Nawrocki, Jane Nelson, Donna Noonan, Michelle Kazanovicz, Todd Place, Denise Place, Pat Place, Bob Podsadowski, Lisa Podsadowski, Melissa Podsadowski, Hannah Proctor, Virginia Rogers, Scott Sanderson, Lisa Sisco, Bessann Triplett, Connie Varnum, Harry Varnum, Betsy Wiederhold, George Whipple, Peter Zahn and Claudia Zahn. We look forward to an even longer list next year.

Respectfully submitted,
Abigail Arnold, Chairman

FRANCESTOWN'S SIX YEAR (1995-2000)
CAPITAL IMPROVEMENT PROGRAM

The Town's Capital Improvement Plan (CIP), which was updated in January of 1995, serves three basic functions:

1. First and foremost, the CIP is a valuable planning tool which should help the Town to anticipate, coordinate and manage its capital expenditures.
2. The CIP will provide part of the basis for developing an impact fee system which will require a developer, under certain circumstances, to offset some of the increased cost to the Town necessitated by his project.
3. The CIP will be essential for the development of any growth management ordinances, if, in the future, the Town should determine growth management to be necessary.

The changes to the 1995 CIP are due primarily to changes in costs, rather than to rescheduling of projects. Costs for the reconstruction of Todd Road are \$20,000 - and the cost of the new Fire Department tanker are \$10,000 - more than anticipated.

If the ballot article changing the school funding formula is passed, it is recommended that a) a new project - \$10,000 of ballfield improvements - be raised from reserves, and b) a \$5,500 hazardous waste day project be deferred a year.

Specifics of the 1995 CIP as recommended by the Planning Board are listed in Column 2 of Exhibit 1 on the next page. Also included in Exhibit 1 are the warrants as actually proposed by the departments. Footnotes indicate whether the Board of Selectmen and the Budget Committee recommend approval of a particular warrant article.

The CIP is prepared - and this summary is provided - to assist you in your decision making at Town Meeting. If you would like a copy of the complete plan or have any questions about the plan and how it is prepared, please contact the Planning Board.

Respectfully submitted,

The Planning Board
The Board of Selectmen
The Budget Committee

3. A # 3 notation in Column 4 indicates that approval of the Warrant article is recommended by the majority of the Board of Selectmen.

4. A #4 notation in Column 4 indicates that approval of the Warrant article is recommended by the majority of the Budget Committee.

**FRANCESTOWN PLANNING BOARD
SUB-COMMITTEE
REPORT OF ROAD IMPROVEMENT PROGRAM**

The Road Improvement Program Sub-Committee was established in May of 1989 by the Planning Board to help develop a long term road improvement program for inclusion in the Capital Improvement Program.

PURPOSE:

1. To recommend an appropriate sum of money to be spent each year to improve the roads of Francestown.
2. To recommend a 6 year plan of roads to be improved, listing roads and work to be done on each.

FUNDING RECOMMENDATIONS:

1. To continue the policy that the full cost of all road improvement projects be raised by warrant article stating location and scope of each project.
2. To continue funding the capital reserve established for future road improvements by appropriating \$10,000 in 1995.

RECOMMENDED PLAN:

(Subject to annual review and update)

Year

1995 Reconstruction (Excavation, drainage and re-surfacing) of Todd Road and entrance from Poor Farm Road and proceeding for approximately 1/2 mile to the transfer and recycling station. (Reference to left and right sides is proceeding from Poor Farm Road toward the transfer station.) Specifications are for a 22 foot wide road way with a minimum of 18 feet of paved surface. It is planned to complete this project without disturbing, in any way (trees, slopes, walls, etc.), the left side of the present roadway beyond the existing ditch line. The work consists of:

- a) tree cutting: removal of 18 trees on the right to obtain minimum width. This is a scenic road and a public hearing requiring the tree cutting is required.
- b) stone wall removal, replacement and restoration: approximately 300 linear feet of existing wall to be removed and re-built in order to obtain the minimum 22 foot width. An additional estimated 900 linear feet of existing disturbed wall to be restored and rebuilt in its

present location, as necessary, to retain a boundary wall with a finished height of 2-2 1/2 feet above road surface. This is a scenic road and a public hearing for this wall work is required.

- c) drainage improvements: install 4 catch basins with lengthened culvert at existing locations in order to eliminate deep culvert inlets and ditches.
- d) place 12 inches of bank run gravel plus 6 inches of crushed gravel surface - 22 feet wide for the entire length of project.
- e) repave entire length of project with pug mill mix with a minimum of 18 feet width.
- f) clean up, mulch and seed all disturbed areas.

1996 Reconstruct Todd Road (Phase 2) from Pleasant Pond Road to transfer station in order to have improved access to the transfer station from two directions.

1997 - The balance of proposed annual projects will be reviewed after the results of the master plan questionnaires have been tabulated and reviewed.

We note with sadness the passing of Donald Hoyt who had been a valuable member of the sub-committee since its establishment in 1989. His guidance will be missed.

REPORT OF THE HISTORIAN - 1994

The population of Francestown was 1212.

There were 919 registered voters; 373 Republican, 195 Democratic, 2 Libertarian, and 349 Independent.

There were 25 building permits issued; 5 residential, 5 additions, 4 garages, 3 porches, 2 barns, 2 decks, 3 sheds, and 1 screen house.

The Francestown Improvement and Historical Society organized the 77th Labor Day Celebration. The parade theme was "Welcome Back Crotched Mountain". FIHS crafted and donated the "Francestown 1772" town signs which are located at the town lines on the 4 main routes into town. The Society donated \$200 towards the replacement of the flagpole on the town common. FIHS leased the recreation area to the town in May. The Town, working with the Recreation Commission and dozens of volunteers, began work to expand work to expand the facilities. The ballfield was renovated, hard surface court was paved and a soccer field was installed. FIHS looked into the possibility of purchasing the former Arthur Lord home on Main Street and needs to determine whether the building can be moved to a nearby location at a cost the Society can manage.

The Old Meeting House had 259 members, including 50 lifetime members, in 1994. The endowment fund was continued with dues received from the lifetime membership program. Earnings from this fund will support ongoing operating and maintenance costs. OMH received a challenge grant of \$15,000 from the Frank Stanley Beveridge Foundation of Boca Raton, Florida. In order to receive the \$15,000 an additional \$50,000 must be raised by December 1, 1996. A 1906 Sohmer grand piano was donated by Monadnock Music and OMH restored the internal components including the soundboard and new hammers. External lights were installed in the bell tower of the OMH.

Events sponsored by OMH included; pianist Virginia Eskin with an exhibit of stencilling and paintings by Carolyn Mac Ewen and weaving by Bess Ann Triplett and Helen Roehrig; The Blue Hill Kickers and The Pony Express country western bands with a hooked rug exhibit by Rhoda Burden and Frank Hanchett; and The New Black Eagle Jazz Band with an exhibit of paintings by Jesse Pollack, Carol Russell and Pat Swan.

Other events held at OMH included: 4 weddings, 2 memorial services, a joint church service between the Community Church and the Unitarians, the annual Monadnock Music Concert, annual Labor Day Vespers, a recital by the "Strolling Strings", and 3 Red School programs. In addition, 23 artisans exhibited during the Labor Day open house.

The Community Church of Francestown had 111 members. Rev. Keta Jones served as minister of the church. The church installed a new sound system in 1994. A youth group was organized for 7th through 12th graders. The food pantry was in operation. The church was proud that they were able to double their mission giving in 1994. Other church activities

included; MOM playgroup, Women's Guild, Senior luncheons on the 2nd Wednesday of the month, Vacation Bible School in August, the 5th Annual Fall Festival in October, Blanket Sunday in May, and the Crop Walk.

The Oak Hill Grange had 40 members including 8 Golden Sheaf members. PTA President Anna Stein was honored at the Citizen Award Night. The Grange sponsored "Meet the Candidates Night in February.

The Grange donated 3 lap robes to the Souhegan Nursing Association. They also made a contribution towards the new town flagpole and made a donation to benefit the Hackett family after they lost their home to fire.

The Francestown Red School had an enrollment of 117 students for the year ending June 1994. The school served grades K through 4th.

Francestown Community Pre-School was in operation serving area towns. They ran programs for 3 year olds and for 4 year olds and had a total enrollment of 18 students.

The Community Theater concentrated their efforts on recruiting more area people for their group. They are planning a spring 1995 production.

The Francestown Food Coop has been in continuous operation for 20 years now and met at the Town Hall twice a month in 1994.

The Explorers have 5 members ages 14 through 18 years. They have been training with the Francestown Volunteer Fire Department and responding to calls with them.

There were 29 boys participating in the Tiger and Cub Scout Troops. Senior Girl Scouts had 3 members, Cadettes 6 members and Brownies had 24 members.

The year 1994 began with record low temperatures and record high snowfall.

In May, residents were able to witness a once in a lifetime event, the annular eclipse of the sun.

The Red School Playground was completed in June with the help of 3 dozen volunteers.

Crotched Mountain Ski Area was sold at auction in June thanks to hard work and dedication by town resident Dean Lizotte. The local community looks forward to the anticipated reopening of the area the end of 1995.

In November, O.Alan Thulander won the vote for State Representative District 6, serving Francestown, New Boston, and Weare.

Francestown Elementary School was on the list of district schools needing major improvements.

To the best of my knowledge, residents who served in the armed forces were; Navy - Scott Place, USAF - Richard Arthur Kiczek, USAF Nurse Corps - Sylvia J. Johnson, National Guard - Tim Ainsworth.

Franeestown felt the loss of several residents in 1994. January 14, 1994 Norman Stewart, a longtime Franeestown resident served in the Navy during WWII, was a town police officer for 26 years, Chief of Police for 17 years, Chief of the Franeestown Volunteer Fire Department for 25 years.

February 3, 1994 - Kent S. Pitchard had lived in town for 20 years. He worked for D.H. Hardwick & Son Inc. and was also self employed as a builder.

July 7, 1994 - Donald E. Hoyt, a lifelong resident was a former Selectmen a member of the Franeestown Volunteer Fire Department for 50 years and a Deputy Fire Warden for many years. He served on the Highway Safety Committee and the Roads Commission. He was active in the Oak Hill Grange and was a past Master.

July 20, 1994 - John Kelly, a Navy Veteran of WWII was employed for more than 36 years by NE Telephone Co. and was also a member of the Fourth Degree Knights of Columbus.

September 13, 1994 - Benjamin M. Loz, infant son of Michael and Janice Loz.

September 18, 1994 - Priscilla Davis Clark, a longtime resident was a seamstress, member of Monadnock Quilters Guild and Piscataquag Quilters Guild, member of the Community Church, and enjoyed the outdoors.

October 2, 1994 - Marjorie F. Onasch held a Masters Degree in Education, began her career in a one room schoolhouse, taught i Illinois and Massachusetts and worked as a reading consultant in Connecticut until her retirement.

October 20, 1994 - Arthur Ellis Sr., a technical sergeant in the Signal Corps during WWII, also worked as a machinist and was a photographer for several years on the Franeestown Labor Day Committee.

October 22, 1994 - Donald A. Marsden served in the Army during WWII, worked in advertising, was a volunteer fireman, served as Town Treasurer for 19 years and was Treasurer of many other local organizations.

All will be greatly missed by the community.

Respectfully submitted,
Kris Holmes, Historian

1994 Public Assistance Administrator's Report

There were relatively few inquiries for assistance. Most residents, exploring their options, decided not to follow through and make application for assistance from the Town. Has the local economy improved, have folks learned to live with less, or have the economically stressed already been forced to move on? We really need to explore this to make sure everyone is being provided for.

There are many programs available to residents that may be under-utilized. Food Stamps, Fuel Assistance and Meals On Wheels are only a few of the many established services that residents may meet the qualifications. To use these services one not need to qualify for assistance through the Town. If anyone needs additional information about these programs, please contact me.

At the 1993 Town Meeting it was voted that up to \$500 of discretionary funds could be spent to make sure everyone, not just those on public assistance, would have a Christmas. Although money was available there were no town funds expended as two local organizations generously gave - the Masons and the Eastern Star - enabling the purchase of food gift certificates, holiday plants and turkeys.

Again, if you would like to make donations to others in town, please contact me in advance. Also, although donations of used clothing and furniture is sometimes needed in emergency situations, usually this office cannot place these items. To participate in holiday giving, please do a little *pre-planning*. Unless an emergency arises, offers to donate a few days before a major holiday cannot be adequately addressed as often deliveries have already been made.

For the holidays we did receive two Thanksgiving baskets donated to Francetown families from St. Patrick's Church in Bennington. Christmas was made special with the Brownies preparing sachets, greeting cards and ornaments. Seniors Sarah O'Donnell and Mariel Powers accompanied me before Christmas to visit with several senior citizens, making deliveries of the jams, chocolates, fruit breads and ornaments they prepared. For the 4th year the REALTORS of Sullivan Properties collected personal care items for distribution to families in need. The Cub Scouts also participated in the spirit of holiday giving by putting up four family-sized Christmas dinner baskets brimming with fresh foods and produce.

Anyone needing assistance should call me directly (588-2519) to apply for services. Note that all matters are confidential and are not part of the public record. Please call if you have any questions about eligibility requirements for various assistance programs.

Respectfully submitted,
BJ Carbee

HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY

Francestown participated in a Household Hazardous Waste Collection Day with the Town of New Boston in June. \$6,500 had been appropriated for this effort through a warrant article at the 1994 Town Meeting. Our actual costs were \$4,113.45, returning \$2,386.55 to the general fund.

Joining forces with New Boston's established annual event provided us the opportunity to determine levels of interest and need for the collection, but at a much lower expense than hosting our own. It is now apparent that a periodic need for this collection exists. Although residents had to travel the 4.6 miles to the New Boston Transfer Station, sixty-six (66) Francestown households made the trip willingly, yielding 556 gallons of H.H.W. (average 8.42 gal./household)! This resulted in an unusually high participation rate of 16.5%.... Most collection participation rates are less than 10%.

The Solid Waste Commission wishes to sincerely thank our Conservation Commission for co-sponsoring the project. The CC helped to promote the event and provided the majority of volunteers at the collection site. Special thanks go to Connie Varnum for her enthusiastic dedication to the project to involve and educate the elementary school children. Wonderful posters announcing the event were created. Thanks also to our Cub Scouts for marking the route to the collection site with helium balloons.

We on the Commission feel strongly that a commitment to an annual HHW collection may be a necessary component of a responsible, total waste management program for Francestown. In order to best determine the needs of the community a warrant article requests \$5,500. for a 1995 Household Hazardous Waste collection.

Respectfully submitted,

Victor Hyman
